

### Detailed Program IPI VII - Symposium

17 October Thursday, 2024

Time Slot	Main Hall
8:30 – 8:50	Opening Ceremony <b>Dominic Hegarty</b> , President of WIP <b>Serdar Erdine</b> , Chair of WIP Registered Turkish Section <b>Gül Köknel Talu</b> , President of Turkish Society of Algology <b>İbrahim Aşık</b> , Co Chair of Turkish Registered Section
08:50 – 10:30	Session I Moderators: <b>Serdar Erdine</b> , <b>İbrahim Aşık</b>
	08:50 – 09:10 World Institute of Pain, The Global Society for Interventional Pain Treatment, more than 30 years. <b>Gabor Racz</b>
	09:10 – 09:30 Past, Present and Future of Pain Medicine <b>Miles Day</b>
	09:30 – 9:50 Recent Advances in Interventional Treatment of Facial pain <b>Dominic Hegarty</b>
	09:50 – 10:10 Current status of Vagus Nerve Stimulation: indications and limits <b>Peter Staats</b>
10:10 – 10:30 Scientific evidence in interventional pain medicine <b>Marshall Devor</b>	
10:30-11:00	Coffee Break
11:00 – 13:00	Session II Moderators: <b>Jan van Zundert</b> , <b>Christ de Clerck</b>
	11:00 – 11:20 Evidence of radiofrequency; where and how much? <b>Jan van Zundert</b>
	11:20 – 11:40 Social Benefit of Interventions in Chronic Pain <b>Arun Bashkar</b>
	11:40 – 12:00 New onset chronic pain: Who should I see first IPM Or Surgery? <b>Peter Staats</b>
	12:00 – 12:20 USG in Interventional Pain Medicine <b>Christ DeClerck</b>
	12:20 – 12:40 Artificial intelligence in Pain Medicine <b>Serdar Erdine</b>
12:40 – 13:00 Flouro vs USG <b>Javier De Andres</b>	
13:00 – 13:15	Lab Instruction <b>Alp Yentür</b>
13:15 -14:00	Lunch
14:00 – 18:00	Parallel Session I : Cadaver Workshop

18 October Friday, 2024

Time Slot	Main Hall
8:30 – 10:30	Session III Moderators: <b>Kriss Vissers</b> , <b>Pakize Kirdemir</b>
	08:30-08:50 Anatomic landmarks for interventional pain procedures <b>Osman Coşkun</b>
	08:50 – 09:10 Education and Training in Pain Medicine: Past, Present and Future <b>Monique Steegers</b>
	09:10 – 09:30 Interventional Techniques for Cancer Pain <b>Kris Vissers</b>
	09:30 – 9:50 Neurolytic blocks in pain management, <b>Liong Liem</b>
	09:50 – 10:10 Pain Management in Palliative Care <b>Meltem Uyar</b>
10:10 – 10:30 Opioids V Medical Cannabis for Chronic Pain <b>Paul Cristo</b>	
10:30-11:00	Coffee Break
11:00 – 13:00	Session IV Moderators: <b>İbrahim Aşık</b> , <b>Nilesh Patel</b>
	11:00 – 11:20 Optimal Imaging Guide for Spinal Interventions <b>Milan Stojanovic</b>
	11:20 – 11:40 New Concept: Osteogenic Pain <b>Ricardo Plancarte</b>
	11:40 – 12:00 Current concepts for DRG stimulation in chronic pain <b>Kiran Patel</b>
	12:00 – 12:20 DRG versus spinal cord stimulation. What is the current status? <b>Adnan El Kaisy</b>
12:20 – 12:40 New stimulation techniques in SCS <b>Nilesh Patel</b>	
12:40 – 13:00 Complications and Mishaps of Neuromodulation <b>İbrahim Aşık</b>	
13:00 – 13:15	Lab Instruction <b>Alp Yentür</b>
13:15 -14:00	Lunch
14:00 – 18:00	Parallel Session II : Cadaver Workshop

19 October Saturday, 2024

Time Slot	Main Hall
8:30 – 10:30	Session V Moderators: <b>Fatih Özkan</b> , <b>Alp Yentür</b>
	08:30-08:50 Radiation Safety <b>Okan Suzer</b>
	08:50 – 09:10 Percutaneous Cordotomy <b>Mert Akbaş</b>
	09:10 – 09:30 Neuroplasty <b>Gözde Dağistan</b>
	09:30 – 9:50 Horizons and Limits for the use of USG in Pain Management <b>Derya Güner</b>
	09:50 – 10:10 High Voltage Pulse RFTC <b>Burak Erken</b>
10:10 – 10:30 Chronic pelvic pain <b>Gül Köknel Talu</b>	
10:30-11:00	Coffee Break
11:00 – 13:00	Session VI Moderators: <b>Christopher Gilligan</b> , <b>Ersin Tan</b>
	11:00 – 11:20 Interventional procedures for knee and hip pain <b>Christopher Gilligan</b>
	11:20 – 11:40 Regenerative Medicine for chronic spinal pain; what is the evidence? <b>Shahzad Anwar</b>
	11:40 – 12:00 Adhesiolysis by Low dextrose Injection through Four in one ( ALIF ) Technique for Frozen Shoulder Treatment : New Ultrasound Guided Technique <b>Alif Rahman</b>
	12:00 – 12:20 Cranial Neuralgias <b>Ersin Tan</b>
	12:20 – 12:40 Recent Advances in Fibromyalgia <b>Ayşen Akıncı</b>
12:40 – 13:00 New Insights into Complex Regional Pain Syndrome <b>Paul Christo</b>	
13:00 – 13:15	Lab Instruction <b>Alp Yentür</b>
13:15 -14:00	Lunch
14:00 – 18:00	Parallel Session III : Cadaver Workshop
