INVITATION

Dear Colleagues, Dear Friends,

It is our great pleasure to invite you to **ALGOS 2025**, which will take place from **September 25 to 28** on the beautiful island of **Rhodes, Greece**.

This **International Symposium** is organized by the **Hellenic Society of Pain Management and Palliative Care**, in collaboration with **ESRA Hellas** and the **1st Anesthesiology Clinic, Pain and Palliative Care Center, National & Kapodistrian University of Athens**. It is **endorsed by WIP**.

Building on the success of previous meetings - **ALGOS 2002** in Santorini, **ALGOS 2009** in Mykonos, **ALGOS 2013** in Kos, and **ALGOS 2017** in Rhodes - **ALGOS 2025** promises to be another exceptional event.

Our goal is to deliver an **outstanding scientific program**, featuring renowned specialists from around the world, to advance **education in Pain and Palliative Medicine**. Beyond the scientific sessions, a rich social program will offer participants the opportunity to network and experience the stunning beauty and cultural heritage of Rhodes.

Rhodes, the largest of the **Dodecanese islands**, is a crossroads of three continents- **Europe, Asia, and Africa**. Known as the **island of the sun**, it is a land of striking contrasts, where medieval history, tradition, and modern life coexist harmoniously. We hope you will take the time to explore its many treasures.

The Organizing and Scientific Committees warmly invite you to **join us in Rhodes** to share knowledge, exchange ideas, and contribute to the success of this significant scientific event.

We look forward to welcoming you in Rhodes in September 2025!
